

Ron Hall Artist Bio

Ron Hall is an award winning multi-media visual artist that grew up in the Sacramento area. Originally an art major out of high school, Ron changed his degree and entered the fire service in 1987. While in the fire service, Ron created art for numerous fire safety and educational publications. Ron continued his love for art and from 2009-2015 he taught art and art history to a local homeschool co-op group. In 2011, Ron started exhibiting art (acrylic and mixed media) in juried and non juried art shows. His art has been exhibited in Northern and Southern California. Ron is a member of many art organizations in the area. Currently Ron is the Vice-President for Rancho Cordova Arts, where he has been an Art Instructor for both classroom workshops and online tutorials. He was the Visual Arts Organizer for the Brushes and Brews Art Show in Rancho Cordova from 2015-2017 and has served as a judge and curator for Rancho Cordova Arts. After Ron retired from the Fire Service, he returned to college in the Spring of 2015 and earned degrees in Art History and Arts and Humanities in 2018. Ron enjoys creating art that uses vibrant, free-flowing color that borders on pop, abstract, and surrealism. Ron utilizes bold coloration to capture his viewers attention and strong movement and emotion to pull his audience in further. He loves to paint musicians and dancers, capturing the coloration, grace, movement, and emotion of a performance in progress. Ron is inspired by the works of Degas, Van Gogh, Dali, and Basquiat.

Ron's work can be found on Facebook at [Hep Cat Art Vibe](#) and on Instagram at [voodoo_art_zombie](#)
