

## Michele McCormick

Sacramento resident Michele McCormick is a widely exhibited

photographer. She entered the fine arts arena in 2012, and her images have since been frequently honored and exhibited. In 2015 and 2018 her work was included in the prestigious Crocker Kingsley show. Her images have been exhibited at numerous locations, including juried shows at venues including the California State Fair Fine Arts exhibit, Los Angeles 1650 Gallery, Portland's Black Box Gallery, Carmel's Center for Photographic Art and local galleries

and events including Blue Line Gallery, Lodi's Spring Art Annual, the Auburn Artwalk and the KVIE Art Auction as well as exhibits at Three Stages and Viewpoint Photographic Art Center.

Over the years her photojournalistic work has appeared in a variety of publications and has illustrated calendars, artist brochures and books internationally.

Her wide ranging work includes portraiture, landscape, travel, animals, food and fine art.

Michele's work is represented by age fotostock.
